Age and NCVA Requirements

Club Cruz is governed by the NCVA and uses their calendar for determining a player's age for a team. The NCVA calendar for players' ages runs from September 1st to August 31. So if a player's birthday falls on or after September 1st they will play at that age. For example, if your player was born on September 1, 2016 they are eligible to play on the 16s team (or older). If your player was born on July 1, 2016 they must play on the 17s team as they will turn 17 before the end of the season which is considered to be August 31st. If you need further help determining which age your player should be trying out for here is a link to NCVA's age chart for this upcoming season, [NCVA age chart](#).
